S.I.S. / I.S.S.

Dear S.I.S. Members

We are glad to inform you about the S.I.S. / I.S.S. activity which was held in Kuta, Bali, Indonesia, on November 17 – 19, 2011, in the framework of the 9th Asian Breast Diseases Association (ABDA) Teaching Course, in conjunction with AFSUMB Workshop.

Dr. Daniel Makes, President of ABDA and of the organizing committee, kindly invited SIS / ISS to participate in this event.

SIS President Dr. Ezio Novais Dias and SIS Executive Director Dr. Carlos Garbino shared this meeting with participants from Indonesia, India, Australia, Singapore, Malaysia, Taiwan, Hong Kong, Japan, Korea, Pakistan and USA.

This activity allowed scientific interaction as well as a very friendly exchange of information regarding the characteristics of our International Society and of National and Regional Societies and Associations, and of Breast Centers. Several institutions and many participants requested information on SIS membership.

SIS representatives greatly thank Dr. Daniel Makes and the Organizing Committee, for their kind and warm hospitality.

The Scientific Program of the event is attached below.

Prof. Ruben Orda
