2nd International Congress
of Breast Disease Centers 2012

9 - 10 February 2012

BREAST CENTERS : THE STATE OF THE ART

Pavillon Dauphine - Place du Maréchal de Lattre de Tassigny 75116 Paris - France

Letter of Welcome

Dear Colleagues,

We are pleased to announce the Second International Congress of Breast Disease Centers.

This event will take place in Paris, France on 9-10 February 2012. It will gather a lot of clinicians coming from the major centers involved in the detection, prevention and treatment of breast diseases and be supported by more than 100 national and international societies or centers of oncology, gynecology, mastology, and radiology. More than 150 Breast Disease Centers have already joined the Board.

We have enlarged the Board of Directors of Breast Disease Centers associated with this Second International Congress, a preparatory meeting of this board was held in Paris on 11 June 2011 to prepare the 2012 congress and it was decided to structure the congress around four thematic chapters:

- o MANAGEMENT OF BREAST CENTERS
- o SCREENING AND DIAGNOSIS
- o TREATMENT
- o TRAINING, TEACHING AND SUPPORT

The key medical specialists of these disciplines have been invited and they warmly support this project.

The response from national delegations has already been extremely positive throughout Europe and other continents and we are expecting a strong level of international participation.

We look forward to your active participation in this innovative event and to welcoming you in Paris next February.

Yours sincerely,

Dr. Marc ESPIE
President of the congress

2nd International Congress of Breast Disease Centers 2012

9 - 10 February 2012

BREAST CENTERS : THE STATE OF THE ART

Pavillon Dauphine - Place du Maréchal de Lattre de Tassigny 75116 Paris

PROGRAM STRUCTURE

TARGET AUDIENCE

The Conference is a forum for physicians and health professionals with special expertise or interest in Surgery, Gynecology, Oncology, Radiotherapy, and Radiology. Advances in those fields will be highlighted through the presentation of scientific research and clinical applications, daily practice and management experience.

Within each theme, the program committee has identified several important issues in the area.

SCIENTIFIC SESSIONS

The scientific sessions will begin with introductory notes by the session chairs, followed by presentations by invited speakers or selected abstracts for oral delivery. The sessions will include a keynote address, summary presentations, review talks, emerging research, presentations and new data on various topics which will provide broad coverage of the scientific spectrum and ensure that everyone will find topics of interest. The overall program includes 12 scientific sessions.

CALL FOR FREE PAPERS

Abstracts for oral and poster communications should be sent only by e-mail : congres@eska.fr
Mandatory deadline for receipt of abstracts : January 15, 2012.

Please follow the frame available on : www.congres.eska.fr

For any information please contact us by e-mail. Only the abstracts received on time will be considered.

Proposals for contributed papers are subject to approval by the Scientific Committee. Abstracts of free papers will be published in the next issue of the International Journal of Breast Disease Centers.

The best abstracts will be selected for oral communication (session 12)

2nd International Congress of Breast Disease Centers 2012

9 - 10 February 2012

BREAST CENTERS : THE STATE OF THE ART

Pavillon Dauphine - Place du Maréchal de Lattre de Tassigny 75116 Paris

INFORMATION FOR SPEAKERS

IF YOU ARE A CHAIRPERSON

You should be in your session hall within 15 minutes of the beginning of the session.

We remind you that:

- The room must be cleared at the indicated time.
- Speakers should strictly observe timing
- A 15 minute question and answer period is scheduled and included at the end of each session.

Those speaking should first clearly state their names, Institutions and countries of origin. Participants should speak preferably with permission of the Chairperson.

- Time allotted for each presentation does not include discussion.

IF YOU ARE A SPEAKER

Please locate your session hall as soon as possible. Speakers must go to the preview room and turn in their slides or computer assisted presentation. You should be in your conference room 10 minutes before the beginning of the sessions and meet with the Chairperson. Please follow the instructions of the Chairperson strictly, especially with regard to the time allotted to your presentation (15 minutes).

FORMAT PRESENTATION

Only presentations for PCs (Windows 2003 and further configurations) will be accepted (No MAC, no UNYX). Please prepare your presentation using PowerPoint Version 2003 or further. If you have pictures, they must only be in the following format: "jpg" or "gif".

If you have video files attached to your PowerPoint Presentation, please check beforehand that they can be presented.

DEPOSITING OF FILES

Your computer file must be handed over to the personnel in the Preview Room either as a CD, or a Usb Key, as far in advance as possible and two hours before the beginning of each session at the latest (the presentation for an early morning session should be handed over the evening before). Sessions are tightly scheduled and it is important that the allotted time be respected.

ABSTRACT

The abstracts must comprise 1 to 3 pages in Word format and will include a bibliography. They will be placed in a book of abstracts, which will be distributed during the congress.

ARTICLES

The articles of the unabridged versions of the work presented will be published in order to make their content accessible to a wider audience. Publication date: Autumn 2012. All publications including the abstracts will be in English.

Mandatory deadline for receipt of abstracts and articles: **January 15, 2011.**

The articles will be published in the International Journal of Breast Disease Centers, its release is scheduled during the congress.
