

Format & Guidelines for Abstract Submission:

- If you are interested in contributing to our inaugural issue please send your original work that has not been published elsewhere and has relevance in the field of oncoplastic surgery to our editorial team at: info@oncoplasticmd.org
- Your abstract must be at least 250 words but should not exceed 500 words in the main body of the abstract, excluding references, figures, and tables
- Length and other formatting issues for the ultimate versions of the papers will be provided and will follow the recommendations from the International Committee of Medical Journal Editors, www.icmje.org

Peer Review: Independent, critical assessment is an intrinsic part of all scholarly work, including scientific research and therefore peer review is an important extension of the journal's process.

Confidentiality: All material and associated information submitted by authors will be contained under strict confidentiality by the editors and reviewers.
